Clothilde V. Hewlett, Commissioner of the Department of Financial Protection and Innovation (Department), brings this action in the public interest and alleges and charges as follows:

I.

Introduction

1. The Commissioner of Financial Protection and Innovation (Commissioner) as head of the Department of Financial Protection and Innovation (Department) brings this action pursuant to Financial Code § 22714.

2. The Commissioner is authorized to administer and enforce the provisions of the California Financing Law (CFL) (Cal. Fin. Code §§ 22000-22780.1).¹

3. At all relevant times, Mark Anthony Sawyer dba MAS Financing (MAS Financing) is and was a company licensed as a finance broker under the authority of the CFL beginning on July 10, 2007, CFL license number 6053860, with a business address of 1905 O'Toole Way, San Jose, California 95131.

4. At all relevant times, Mark Anthony Sawyer is and was MAS Financing's owner, officer, and founder.

5. MAS Financing brokers residential mortgage loans and employs mortgage loan originators. Mark Anthony Sawyer has a mortgage loan originator license with the Department, license number CA-DOC217438.

6. On June 11, 2024, the Department commenced an examination of MAS Financing.

II.

Exam Findings

Based on the examination, the Commissioner makes the following findings:

A. Failure to Maintain Financial Statements in Accordance with GAAP

7. MAS Financing provided certain books and records in response to the Department's requests including a December 31, 2023 unaudited balance sheet. The Department identified several issues with this balance sheet. First, MAS Financing cannot substantiate the cash balance reported and

¹ All citations herein are to the Financial Code unless otherwise noted.

MAS Financing's December 2023 bank statements do not reconcile with the unaudited balance sheet. Second, the balance sheet itself does not balance. For example, the balance sheet indicates total assets of \$252,883 and total liabilities of \$43,558, which should result in a total owner's equity of \$209,325. However, the balance sheet reports total owner's equity as \$909,325. As a result, the total assets did not equal the sum of total liabilities and stockholder's equity. Third, the amounts on the balance sheet did not match the amounts MAS Financing reported on its 2023 annual report filed with the Department on May 1, 2024.

8. Specifically, MAS Financing reported \$6,844,980 in total assets on its 2023 annual report, while its unaudited balance sheet reflected total assets of \$252,833, and its bank statement only reflected \$2,064 in cash as of December 31, 2023.

9. On July 12, 2024, the Department requested that MAS Financing provide financial statements as of December 31, 2023, prepared in accordance with generally accepted accounting principles (GAAP). On September 30, 2024, the company acknowledged that it did not have the requested audited financials. MAS Financing's failure to maintain books and records in accordance with GAAP violates Cal. Code Regs. tit. 10, § 1426.

10. As a result of MAS Financing's failure to provide GAAP compliant financials and given the issues with the unaudited balance sheet provided, the Department is unable to verify that the company maintained a minimum net worth of at least \$50,000 as required under § 22104(c).

B. Failure to Maintain Books and Records to Enable the Commissioner to Determine Compliance with the CFL

11. Under § 22156(a), licensees must keep and use books and records which will enable the Commissioner to determine if the licensee is complying with the CFL and its rules and regulations. Under § 22701, the Commissioner shall have free access to finance brokers' books, records, and files.

12. During the examination the Department requested the following books and records from MAS Financing to determine compliance with the CFL. To date, these records have not been provided in violation of §§ 22156(a) and 22701:

- a. GAAP compliant balance sheet and income statement as of December 31, 2023;
- b. Trial balance and general ledger as of December 31, 2023;
- c. Cash reconciliation as of December 31, 2023;
- d. Broker agreement;

- e. California mortgage loan originator (MLO) compensation record;
- f. Best practice trainings supporting documentation;
- g. Reissued 1099 Forms to MLO T.Y.;
- h. Picture of MLO T. Y.'s California license in office location;
- i. Broker statements for at least 5 brokered loans;
- j. Broker receipts for at least 5 brokered loans;
- k. Various TILA-RESPA Integrated Disclosures for at least 7 brokered loans;
- l. California loan brokerage agreement disclosures for at least 3 brokered loans; and

C. Failure to Provide Documents to Show that MAS Financing Provided Required Disclosures to Borrowers

13. MAS Financing, in violation of §§ 22156 and 22701, failed to respond to the Commissioner's October 2024 request for documents with respect to at least 5 loans, which would enable the commissioner to determine if the company provided required borrower disclosures. For example, finance brokers are required to disclose to borrowers, in clear and distinct terms the name, address, and license number of the broker and finance lender, along with the date, amount, and terms of the agreement with the broker and all amounts paid or to be paid to the broker and to any person other than the finance lender (the Broker Disclosure).

14. Based on MAS Financing's failure to provide the requested information, the Commissioner is unable to determine if MAS Financing: (1) violated § 22338(a) by failing to provide a copy of the Broker Disclosure to the borrower; (2) violated § 22338(b) by failing to deliver a copy of the Broker Disclosure to the finance lender making the loan; and (3) violated § 22338(c) by failing to deliver receipts to persons making payments to MAS Financing.

15. Under § 22346(a), a licensee that violates any provision of the federal Real Estate Settlement Procedures Act (RESPA) violates the CFL. MAS Financing failed to provide documents, in response to the Commissioner's October of 2024 request, in violation of §§ 22156 and 22701, to enable the Commissioner to determine if MAS Financing complied with the following RESPA provisions:

- a. The requirement to provide borrowers with initial and closing disclosures under 12 C.F.R. §§ 1026.19(e)(1)(ii) and 1026.25(c). The instances where MAS Financing provided the requested initial disclosures to the Department revealed that the company failed to deliver them within 3 business days in violation of 12 C.F.R. §

1026.19(e)(1)(iii); and

- b. The requirement to provide borrowers of non-traditional mortgage loans with an Anti-Steering disclosure under 12 C.F.R. § 1026.36.(e)(3).

D. Failure to Establish Policies and Procedures and Provide Training

16. MAS Financing failed to provide evidence of compliance with best practices to manage loan product risk for non-traditional loans as required under Cal. Code Regs. tit. 10, § 1436(a) and failed to submit a written compliance report in violation of subdivision (b).

17. MAS Financing additionally failed to establish policies, procedures, and training to comply with the Bank Secrecy Act's requirement under 31 C.F.R. § 1029.210(a) and (b) to develop and implement an anti-money laundering program in violation of § 22161(a)(5) (a violation of the unlawful prong of the Unfair Competition Law, Bus. & Prof. Code § 17200 is a violation of the CFL).

E. Failure to Disclose Required Information to the Commissioner

18. MAS Financing failed to disclose, including on the Nationwide Multistate Licensing System, (NMLS), affiliated companies that were wholly owned and controlled by Mark Anthony Sawyer including ATD Commerce LLC, MAS Solutions Group LLC, Lighthouse Holding LLC, MAS Holdings LLC and ACM North, in violation of Cal. Code Regs. tit. 10, § 1422.5(a)(7) and (d).

19. To date, MAS Financing has not provided the aforementioned documents.

III.
